Subject: Firequest MTD

Hi Stephen,

I believe under the terms of our prior motion to extend, we would have until November 15 to respond to Firequest's MTD (attached). I am wondering if you would consider a one-month extension of this, until **December 13**. Your respective reply would then be due sometime in early 2025 (45 days after December 13).

For context, I am considering that the judge likely won't be entering a decision on the remand motion for several months. Also, neither the Daniel Defense nor the Oasis Outback motions will be fully briefed (responses+ replies) until later December/early January. Finally, looking at our calendar for November, the multi-week extension accounts for holiday travel and other competing deadlines.

If you agree, this extension would extend to:

- 2:24cv69, Rubio
- 2:24cv72, Mireles
- 2:24cv73, Reyes
- 2:24cv74, Orona

(As to Reyes and Orona, I spoke with Jamal Alsaffar earlier today who said he recently asked for an extension until 10/31, and he agreed my request here would supplant that.)
